

34.2 m

An aerial photograph of a residential property. A yellow line is drawn across the image, starting from a point on the left edge, extending horizontally to the right, and then turning vertically downwards to a point on the right edge. A yellow callout box with the text '34.2 m' is connected to the horizontal segment of the line. The property includes a house with a grey roof, a paved driveway with a white car, and a lawn area. In the background, there are other houses and trees.
